

## Norman Workshop - Emerging Pollutants

19/06/2006 – 20/06/2006

Dear Sir/Madam,

We would like to give you useful information, in order to make easier and more convenient for you, the transport from Milano airport(s) to **Stresa**.

### 1 - Arrival at Malpensa airport : the following possibilities are available

- **Big bus: Air Pullman for the JRC (free of charge) → In red on the time-table that you can find below.** The bus driver (with a plaque JRC-ISPRA) will be inside Terminal 1, exit 3.
- **Shuttle mini-bus (in blue on the attached time-table: ALIBUS/price of the ticket: 10,5 € per person): Outside Terminal 1, exit 4, bus stop 22 (Sign: Lago Maggiore, then Verbania-Malpensa, but stop at STRESA).** We have to book this shuttle for you, upon your request. The driver will then have your name in a list but will not wait for you since it is a public transport. At your arrival at Stresa, the distance from the bus stop to the hotel(s) is about 5 minutes. **WHEN YOU GET ON THE ALIBUS YOU MUST TELL THE DRIVER THAT YOU ARE GOING TO STRESA TO THE HOTEL LA PALMA or TO THE HOTEL MILAN SPERANZA AU LAC FOR THE JRC MEETING !!!**
- **If you will not be able to catch the last mini-bus of 20.30, because of a flight delay, we suggest to either:**

- Take a **taxi** from Malpensa airport to Stresa costs about 90 € Euro from Malpensa and 130 € from Linate, (depending day/evening etc.) or
- Take the bus from Malpensa airport to Milano or Gallarate station (**find timetable below**). The bus-stop is outside the airport and there are departures every 20 minutes, (duration 15 minutes). From Milano or Gallarate station to Stresa, you can take the train (1 hour by train). When you arrive at Stresa station, you can walk, because the hotel(s) is close (about 5 minutes).
