

NORMAN Workshop for regulators

How can non-target screening techniques support environmental monitoring and chemicals management?

Thursday 25th October 2018

Representation of the State of North Rhine-Westphalia to the European Union,
Rue Montoyer 47, 1000 Brussels, Belgium

NORMAN is a European network of more than 70 reference laboratories research centres and related organisations for monitoring and assessment of emerging environmental substances. Norman is organising this workshop to discuss the potential of Non-Target Screening for chemicals management with stakeholders from regulation and environmental policy.

09:30 Registration and coffee

Session 1 - Introduction to the use and potential of Non-Target Screening

Chairs: Valeria Dulio (INERIS), Martin Schlabach (NILU)

10:00 The potential of Non-Target Screening in environmental monitoring
Juliane Hollender (EAWAG)

10:20 The use of monitoring data in chemical and environmental legislation
Peter Korytar (DG Environment)

10:35 Potential of screening data in prioritising chemicals for regulatory action
Henna Piha, European Chemicals Agency (ECHA)

10:50 Cooperation at the river basin level – the ICPR expert group on NTS
Uwe Kunkel (Bavarian Environment Agency on behalf of SANA)

11:05 Hands-on experience with large contaminant data sets
Jaroslav Slobodnik (Environmental Institute)

11:20 Coffee

Session 2 - What are the experiences of practitioners from national institutes?

Chair: Jaroslav Slobodnik (EI), Wim Cofino (QUASIMEME)

11:50 Feedback from registrants based on workshop questionnaire

12:00 Open round-table discussion with invited experts: Anne Togola (BRGM), Thomas Ternes (BfG), Gerard Stroomberg (RIWA), Bert van Bavel (NIVA on behalf of a Nordic Chemicals Group of the Nordic Council)

13:00 Lunch

Session 3 - What is the potential of Non-Target Screening for chemicals management?

Chairs: Jan Koschorreck (UBA), Juliane Hollender (EAWAG)

14:00 Feedback from registrants based on workshop questionnaire

14:10 Open round-table discussion with invited experts: Henna Piha (ECHA), Peter Korytar (DG Environment), Victoria Tornero (EC JRC), Martin Krauss (UfZ on behalf of HBM4EU), Eivind Farnen (Norwegian EA)

Session 4 - Wrap-up

Chairs: Valeria Dulio (INERIS), John Munthe (IVL)

15:10 Final discussion

15:30 End of meeting

Organisation

Registration

The workshop (including coffee & lunch) is free of charge.

Venue

Representation of the State of North-Rhine Westphalia to the European Union,
Rue Montoyer 47, 1000 Brussels, Belgium

Nearest metro station:
Trone/Troon, metro line 2, 6
