

## Workshop on non-target screening in biota

Date: 16<sup>th</sup> – 17<sup>th</sup> October 2018 (13:00 – 13:00)

Location: Uppsala, Sweden (Swedish University of Agricultural Sciences, SLU)

This workshop is organised by SLU under the umbrella of the Cross-Working Group Activity Non-target Screening (NTS) of the NORMAN Network ([www.norman-network.net](http://www.norman-network.net)) and aims at discussing key topics related to nontarget screening in biotic samples. The workshop consists of short presentations by international experts and discussion panels on nontarget screening in biota including i) species/tissue selection, ii) sample preparation, and iii) suspect and nontarget screening workflows.
